Subject: Letter of Recommendation for Matt Barber.

To Whom It May Concern,

Matt has been a regular performer here at Jackson Oaks since 2006 when he was only 18 years old.

We all find it refreshing, and a bit surprising, to hear the old favorites lightly crooned from a man in his early twenties.

As a Community Manager, it is my duty to add zest and fun to the daily lives of my neighbors and residents. Matt has a very personable way about him, and his chosen genre of music certainly resonates with all people, especially people who were of age in the 30's, 40's and 50's.

I look around and see nothing but smiles from my residents while he is performing. Fun was yet again added to our atmosphere.

I can say without hesitation that we anxiously await his next swing through Paducah and Jackson Oaks.

Sincerely,

Errol R. Gard, Co-Manager of Jackson Oaks
