phone: 336-282-6133 fax: 336-286-3153

**It is my privilege and honor to write this letter of recommendation for Matt Barber after having experienced his awesome talent. He engages everyone who is within the sound of his songs and humor. He is one of the rare artists who can take your residents on a journey of feel good emotions and memories.**

**"This was the best program we have ever had." The residents and management team is looking forward to his return.**
